

Important information

Electricity Price Sheet

These are the rates you'll pay per kWh for your electricity usage, plus if applicable a supply charge to cover the cost of getting the service supplied to your property.

The Charges can change from time to time, generally once a year. Don't worry though, we'll always let you know ahead of time before they do change.

Charge description	Cost (incl. GST)
RETAIL	
Supply Charge	\$1.095490 per day
Off-Peak Charge	\$0.231330 per kWh
Peak Charge	\$0.383020 per kWh

These rates don't include concession rebates or discounts which may apply to you.

Other fees that may apply

We need to let you know these fees in case they apply to you. Some exclusions do apply.

Fee type	Description	Cost (incl. GST)
Connection and move out fees	May apply when your property is connected or disconnected including when you move in and out.	Visit winconnect.com.au/help-and-support/additional-fees-charges/ for specific fees in your state.
Meter works administration fees	May apply when you request that we arrange metering related goods and services for you.	Visit winconnect.com.au/help-and-support/additional-fees-charges/ for specific fees in your state.
Paper bill fee	May apply when we print and mail your bill to you.	\$0.00 per bill
